

PUBLIC NOTICE MUNICIPALITY OF LOUISE

Works on Municipal Roads and Drains

The Council of the Municipality of Louise would like to remind landowners that any works such as approach instalment, approach widening, ditch cleanout or other proposed drainage maintenance to be performed on **MUNICIPAL PROPERTY** requires authorization from Council prior to the work being performed.

When considering such work an application, along with a fee of \$10.00, must be filed with the municipal office outlining why such works are deemed necessary, for the PW Supervisor or Council to consider.

ALSO, BE ADVISED THAT THE CLEARING OF TREES AND HABITAT FROM ANY UNDEVELOPED ROAD ALLOWANCE IS NOT SOMETHING THAT A LANDOWNER OR TENANT HAVE AUTHORITY TO PERFORM. Any action taken to place the road allowance back to its original state will be at the expense of the offending party, which could include a survey, planting of trees and grasses, etc.

Direction, control, & management of the municipal road allowances will remain with the municipality. **Be reminded that any costs of action to be taken by the municipality will be charged back against the offending party.**

**Council
Municipality of Louise**
