

PUBLIC NOTICE

RURAL MUNICIPALITY OF LOUISE

Agricultural Activities

The Council of the R.M. of Louise would like to remind landowners that a minimum of 125 feet from the municipal road allowance shall remain clear of any obstructions.

When considering storage of bales and machinery, or planting of trees please adhere to the minimum 125 foot setback from the road allowance, which is required to prevent the entrapment of snow on the roads.

If necessary Council may enforce this provision with costs of action to be charged against the offending party.

**Council
Rural Municipality of Louise**
